

2008 NYC & NJ GOSPEL EVENTS!

May 2008

BLESSINGS TO YOU DURING THIS WONDERFUL SEASON OF AWAKENING!

A few months ago the Lord put two remah words in my spirit:

“IT’S TIME!” Recently, many of us experienced a long dry season in the wilderness. Some of us could not discern why we were stuck in a holding pattern, not being able to hear clear direction from the Lord and unable to move forward. We repented, we blamed the devil...warred and rebuked...until finally we had a revelation that it was the Lords doing! Therefore, we repented again, yielded, surrendered to His will, and embraced His lessons in the wilderness where He prepared us for His great outpouring! **Yes, we have been tried and tested and have made it through our wilderness experience! He has led us out and we are now more empowered to move forth in His mighty army as warriors in His harvest field! It is time to be awakened to our “well” which desires to spring up from within us and to overflow to the lost!**

IT IS TIME!

Behold, I say to you, lift up your eyes
and look at the fields, for they are
already white for harvest!
