

"Send us to bring them in"

## **CAN WE SEE THE HARVEST?** by Colleen Wheeler

**W**hat would have happened if the original disciples were not obedient to the Great Commission? Where would we be? Jesus told His disciples to preach the Good News of the Kingdom, to cast out demons, feed the poor and heal the sick...If they did not obey and decided to simply walk with Jesus as spectator, or hide out and pray instead or to spend all their time bowing down before him in fervent worship...Where would we be?

Watch the news, look at the state of this dark world and know that we have His command ever before us. Can we see it, can we see the harvest? We must see His heart and hear His command. What is God's heart?

Colleen Wheeler, Evangelist  
Founder & President

God's heart is that all men, women and children come to the saving knowledge of Christ Jesus. Can we see it in God's word? Can we hear it in His rehman voice? Are we praying for grace to obey? Are we willing to step out in faith?

Jesus is coming quickly, we must seek the Lord for His will regarding ways to reach out into our communities and win the lost, we are responsible to bring the Good News message into a dying world that is on its way to hell. We have what a lost person is searching for. We must become doers of the word and obey His command to go forth and pluck the lost out of the burning flames and bring them into God's marvelous light.
